# One Minute After

Everyone wishes to live a good long life, but it is a known fact that death can visit the young, the old, the rich, the poor, a saint, or a sinner at any time, and at any place. Death respects no one. It is the curse that fell not only upon Adam, but the whole of humanity (Romans 5:12).

After death comes judgment (Hebrews 9:27). When a person dies, loved ones begin to plan his funeral. They make necessary arrangements and prepare to read his will. While these are going on, the dead finds himself in one of two places: *Paradise* (the resting place for the

righteous before resurrection to eternal life), or *Hades* (the place of torment, where sinners are kept before they are cast into the lake of fire on the Day of Judgement). The departed one in Hades is full of regrets. He is also possibly filled with rage as he remembers those who knew what he could have done to avoid being there but failed to tell him. The one in Paradise is with the Lord - a place of ideal loveliness and delight.

The Lord has been faithful to take a few believers up to Paradise to see what it is like there. They all said that they got there and did not want to come back. Some were taken to Hades very briefly as well. They were glad that they did not spend much time there, but came back to life.

Are you saved? Do you know what awaits you when you die? Do those you associate with talk to you about the importance of salvation? Have they told you yet about the falsehood of reincarnation? Do they let you know that no one can be saved by their good deeds, but the Blood of Jesus? Jesus is the only way to Heaven. He said, "I am the Way, the Truth, and the Life. No one comes to the Father except through Me" (John 14:6). Salvation is found in no one but Him (Acts 4:12).

Yesterday is gone. You have today, but tomorrow is promised to no one. Now, is the time of salvation. Make peace with God today through His Son, Jesus Christ. Tomorrow might just be too late.
